

Maria Carrillo High School

Puma Athletic Boosters

School district funding for athletics is limited. With over 600 MCHS Athletes participating on 32 teams, we need your support! By joining the Puma Athletic Boosters, you provide our athletes new uniforms, equipment, and post-season play.

You can help by becoming a member, donating, or volunteering for our annual crab feed. All proceeds go to help Maria Carrillo Athletic teams and athletes with new uniforms, equipment and travel expenses.
